Distribution of Form:	Original is returned to clerk of court.
Accompanying Forms:	Generally none.
New Form/Modification:	Modification, 08/07.
Modifications:	On CCAP form, changed "Optional" questions to "The following information is requested to speed up the jury selection process." as these questions are not statutorily required. Changed "forfeiture" to "sanction". Forfeiture implies that a citation be issued.
Comments:	Some counties question to what extent answers to the "conviction of felon/restoration of civil rights" questions should be followed-up by the clerk's office. If a person has been convicted of a felony, they are eligible for jury service if their civil rights have been restored. Civil rights are restored when the person has completed their sentence. The Department of Corrections provides the person with a certificate identifying the civil rights that have been restored. If a person's civil rights have not been restored, they are ineligible for jury service. It is for each county to determine the extent to which it wishes to follow-up on the accuracy of those answers.
About this form:	This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference. If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.
